Varjo leads the era of immersive computing with  
world's most advanced VR/AR technology products

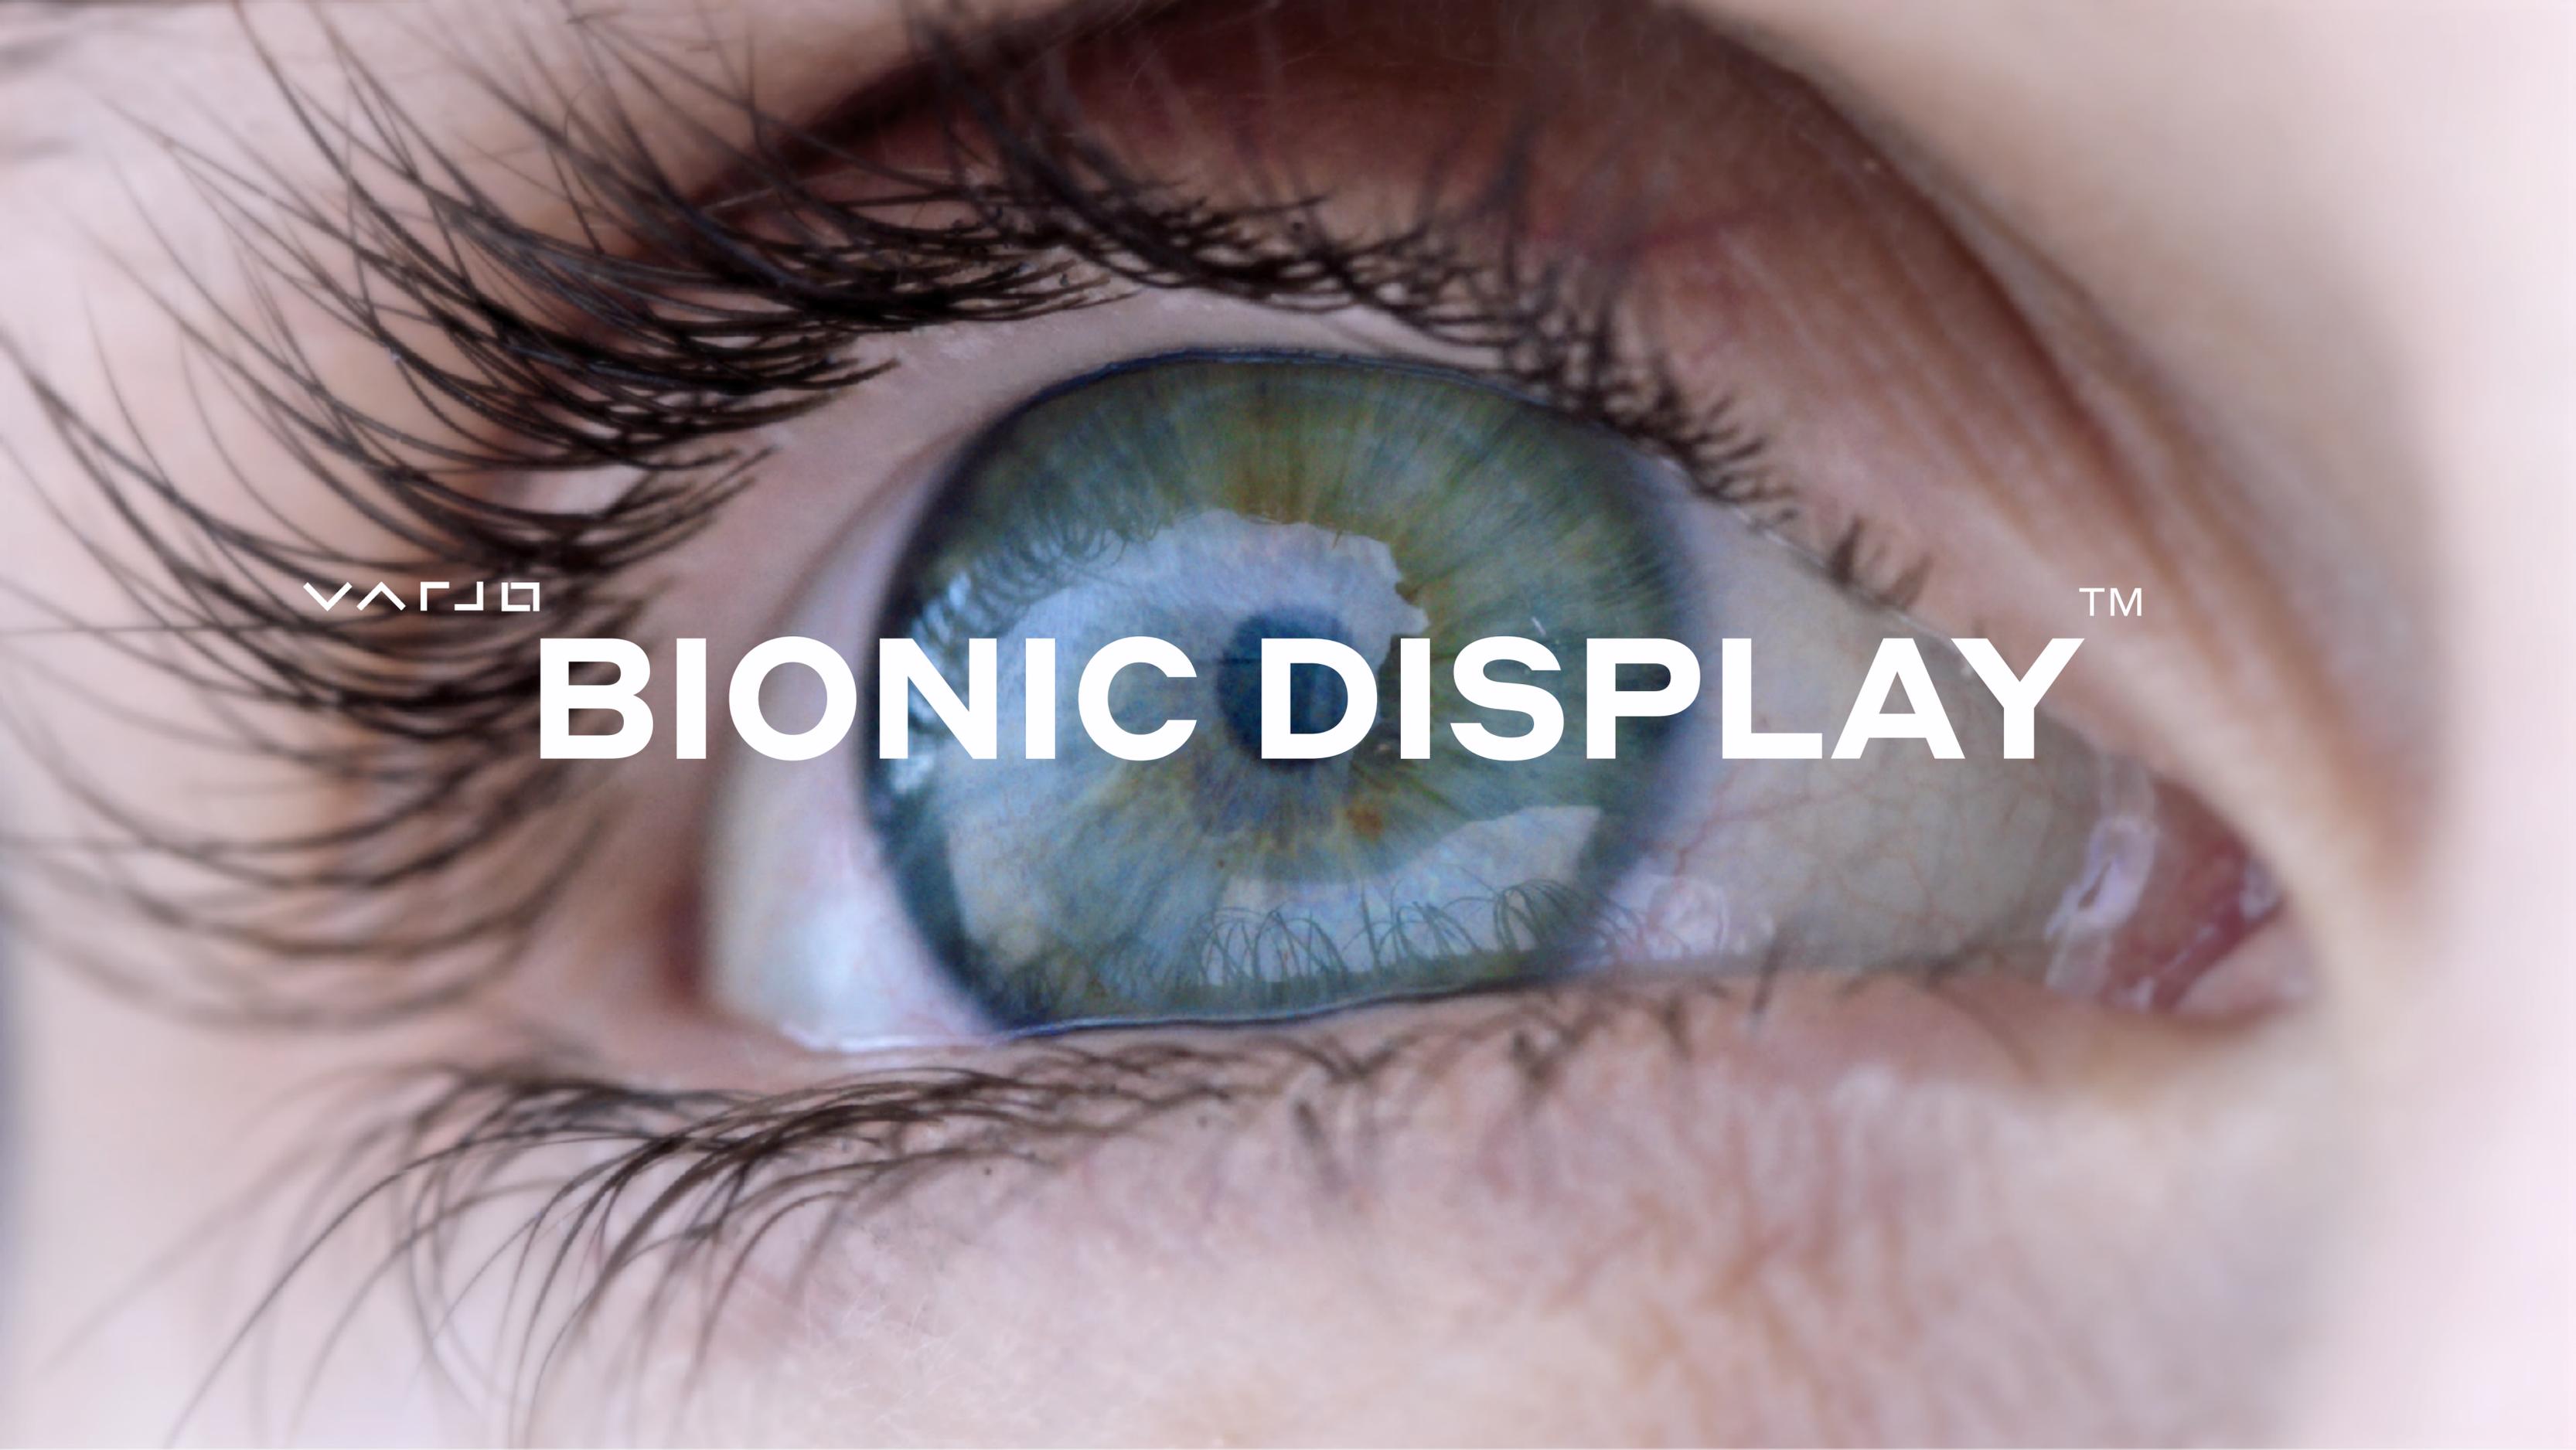

Oculus CV1

A close-up photograph of a human eye. The iris is a vibrant green, and the pupil is dark. Overlaid on the eye is a semi-transparent, futuristic digital display. The display features a central blue circular element, possibly a cursor or a data point, surrounded by a grid of white and blue lines. The overall aesthetic is high-tech and futuristic.
